Bandung and Rome introduce urban food projects

On 18 March 2022, city officials from Bandung City of Indonesia and Rome City of Italy met online for the first time to introduce their existing initiatives related to **urban food**. Both cities also brought their partners to the meeting. The Sapienza University of Rome, also involved in the previous cooperation under the IUC framework, participated in the meeting. Meanwhile,...

Bangkok to cooperate with Milan to make urban food systems more sustainable

Thailand is for the first time participating in a city-to-city cooperation programme funded by the European Union. On 22 February 2022, IURC organised a kick-off meeting between the Bangkok Metropolitan Administration (BMA) and the Municipality of Milan to mark the beginning of their cooperation. In addition to the officials of both cities, the EU and Italian ambassadors to Thailand as...

EU Delegation to Indonesia participates at Milan urban food Policy Pact Asia Meeting

The Delegation of the European Union (EUD) to Indonesia and Brunei Darussalam participated in the webinar 'How Asia-Pacific cities active on food policy can benefit from the Milan **urban food** Policy Pact'. Ms. Henriette Faergemann (Councillor at the Environment and Climate Action Section of the EUD) mentioned that **urban food** policy can make an important contribution to reduce CO2 emissions...
